Steamers who will travel by commercial airliner and wish to ship locomotives should contact us at steamup@steam-events.org for shipping information.

* An individual registration is required of all who actually run steam locomotives, regardless of age. Steamers under age 18 must have a paid registration either for the full event or a single day, as appropriate, and must be closely supervised by an adult (who can have a "guest" registration if they are not running locomotives). Observers do not plan to run trains but do plan to be in the steam hall on a regular basis and want to visit the dealer room or clinics. Guests are friends or relatives of steamers who expect to visit the steam hall irregularly and who do not want to visit the dealer room or clinics. Not open to the public.

** Dealers' tables must be staffed by registered steamers or observers; dealers who wish to run steam locomotives must also pay the steamer registration fee; steamers who wish to sell products must buy a table. Dealer tables are 6-feet by 30-inches. Dealers will be open 1 p.m.-3:30 p.m., Thursday, Friday and Saturday.
