STEAM IN THE GARDEN

2015

Bill Allen's latest: A 1:29-scale live steamer built from scratch – Central Pacific's 1860s-era C.P.

HUNTINGTON

Also inside:

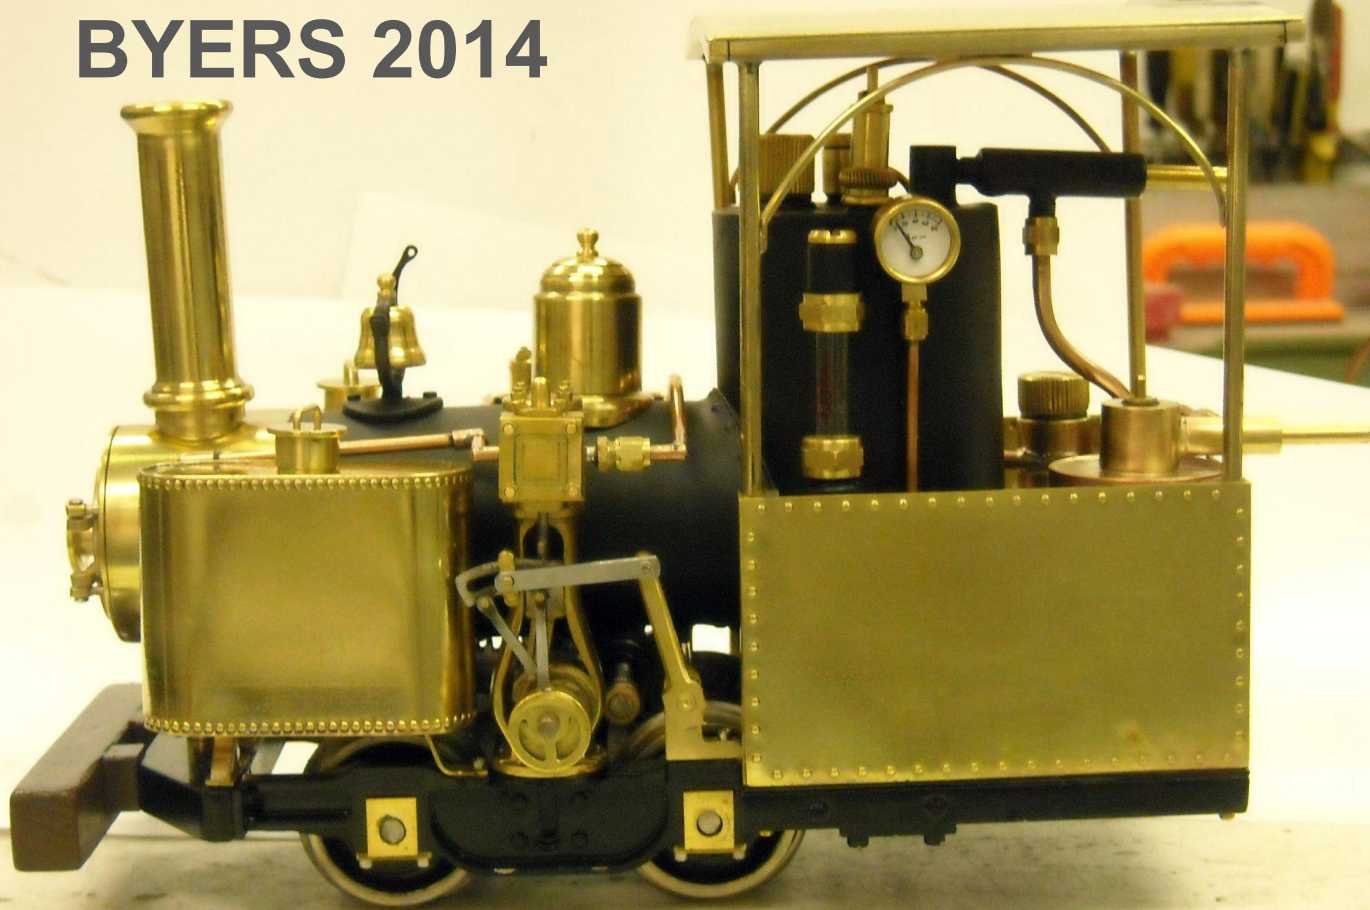

- Another California loco: back-dating the SP Cab Forward
- Building a portable, live-steam layout
- Locomotive review: Accucraft UK's 'Peveril'
- A look inside the Portland steamup at Staver's
- Going backstage at a Toronto steamup in a roundhouse
- New small-scale live steam locomotives announced and much more!
